## **DETAILED ACTION**

### ***Response to Amendment***

1. The amendment filed on 05/09/2005 has been entered and made of record.

Claims 1-7 are now pending.

### ***Allowable Subject Matter***

2. Claims 1-7 are allowed.
3. The following is an examiner's statement of reasons for allowance: Claims 1-7 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor base on the prior art, found any motivation to combine any of the said prior art which teaches a scanner capable of adjusting the height of a paper cover, comprising: a housing having a first surface defining at least two mounting holes, each of the two mounting holes being formed with two opposite catch plates; a paper cover having an inner face with at least two locking hooks protruding outward therefrom, each locking hook including a shank having a first side and a second side each having a wing block protruded outward therefrom, each locking hook being mounted in a respective mounting hole of the housing, each wing block facing the respective catch plate; and at least two elastic ribs each mounted beside a respective mounting hole of the housing and each having a top end formed with a catch block, the catch block of each of the

elastic ribs having one side extended into the respective mounting hole and rested on the respective locking hook to provide an elastic stop effect to the respective locking hook to prevent the respective locking hook from being detached from the respective mounting hole when the locking hook of the paper cover is both perpendicular to and parallel with the respective mounting hole of the housing, as set forth in Claim 1 including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
